ABOUT US

Weihai International Seafood Sdn Bhd is a Malaysia-based importer, processor and distributor specializing in premium frozen and dried seafood products sourced from trusted global suppliers.

With years of industry experience, we serve wholesalers, distributors, retailers, food manufacturers, hotels, restaurants, caterers, and food service businesses throughout Malaysia.

OUR COMMITMENT

QUALITY PRODUCTS • RELIABLE SUPPLY • COMPETITIVE PRICING

Backed by our own processing and repacking facilities, we provide customized seafood solutions tailored to meet our customers' business needs while maintaining the highest standards of food safety and product quality.

OUR GOAL

To deliver premium seafood products with reliable supply, competitive pricing and excellent customer service.

OUR APPROACH

Quality products, strong partnerships and efficient services to grow together with our customers.

PROCESSING & REPACKING FACILITY

Our facility supports seafood processing, repacking and distribution activities while maintaining operational efficiency and food safety standards.
